

Excellence Campaign Naming Opportunities

St. Thomas More Catholic School Excellence Campaign is offering the opportunity for individuals, families, and businesses to have areas of the upcoming project named in their honor.

We are offering areas of these beautiful buildings as well as current facilities in place. As a parent, former parent, grandparent, alumni or parishioner of the St. Thomas More Community, the chance to leave your legacy by having your name, or dedication in honor of someone, in place in the structure that is so dear to all our hearts in educating the bright minds of students is available.

The campaign will recognize key donors with permanent donor recognition displays in specially designated tribute areas throughout the campus. The following is a display example.
